

BOARD OF GOVERNORS - EXPENSES

In accordance with the Code of Conduct, the Board of Governors has agreed to publish information on expenses claimed in relation to Board activity. The claims should be contextualised in terms of the number of meetings that any individual Board Member may attend, as some are Chairs of Committees and/or may be members of more than one Committee. They may also attend the strategy day and development day timetabled in the annual calendar of meetings.

Board Members may also get involved in wider College activity and can claim travel costs to attend these. Board Members are drawn from a wide geographical area and this can impact on the level of claim for travel as the travel distance from the College increases.

The Chair is also entitled to claim for expenses in relation to additional meetings he is expected to attend linked to national activity.

Board expenses for academic year 2023-24 (as at 4 January 2024):
