

## TUC Diploma in Occupational Health and Safety

This course is designed for experienced health and safety representatives. This popular course will help experienced safety reps develop understanding of health and safety principle and practice.

---

<b>Audience type</b>	Safety reps
<b>Start date (duration)</b>	Variable (36 weeks)
<b>Location (region)</b>	Fife College, Kirkcaldy (Scotland)
<b>Status</b>	Available

---

The course gives you the opportunity to question the development and function of health and safety law, discover how to build trade union organisation for health and safety, and tackle some of the health, safety, welfare, and environmental problems that workers currently face.

Completion at Level 3 will entitle union safety reps to apply for Institution of Occupational Safety and Health technician membership (Tech IOSH). Beyond the TUC programme, health and safety reps go on to Higher Education through university degree programmes.
