**All sporting participants have the right to compete in Clean Sport.**

**Fife College adopts the UK Anti-Doping (UKAD) and World Anti-Doping Agency (WADA) position that cheating, including doping, in sport is fundamentally contrary to the spirit of sport, undermining the otherwise positive impact of sport on society.**

- Fife College supports the mission of UK Anti-Doping and WADA in achieving Clean Sport.
- All athletes are expected to play, train and compete in line with the spirit of sport, including the Anti-Doping rules.
- All coaches and athlete support personnel are expected to perform their role in line with the spirit of sport, including the Anti-Doping rules.
- Fife College is committed to supporting the prevention of doping behaviour in the UK in collaboration with other sporting bodies
- Employed and associated 'staff' will not condone, assist or in any way support the use of prohibited substances and methods (unless permitted by a Therapeutic Use Exemption) in any aspects of their work.
- Breaches of this, or any rules/policies referred to in Fife College's own code of practice/conduct will be acted upon accordingly.
- All employed and associated staff will be expected to contact UK Anti-Doping should they become aware of an athlete or NGB member using or considering the usage of a prohibited substance or prohibited method.
