Angela Stewart Grant Scholarship

### **What is the Angela Stewart Grant Scholarship?**

This is a scholarship for students studying Science at Fife College and was set up in memory of former student, Angela Stewart Grant.

Angela studied HND Applied Chemistry and later went on to complete her degree in BSc Environmental Chemical Analysis. Her ethos was to get the best from the College and take all the chances it offered her. In her eyes the College was giving her the opportunity to succeed. Sadly Angela lost her battle with bowel cancer in 1999 at the age of just 23.

One of Angela's last wishes was the hope that she would be remembered through a student award. This award is to give students a boost to continue on their course and to have a good time while following their dreams.

### **Who Can Apply?**

Full-time students at Fife College studying **HNC Applied Science (on Chemistry route) and HND Applied Science** who are committed to their course, have high levels of attendance and are keen to use their qualifications to enhance their career prospects.

### **What Do You Win?**

There is a minimum £500 award which may be split between students at the discretion of the panel. Being recognised for this award is also a fantastic achievement and would look great on your CV boosting your further study and employment prospects.

### **What Can You Spend the Scholarship On?**

Whatever you like – as long as you treat yourself around Christmas time, those were Angela's wishes.

### **How to Apply**

A link to the application form is available on the Fife College website in the Scholarship section. Please explain clearly why you should be considered for an Angela Stewart Grant Scholarship.

### **What Happens Next?**

**Interview** Shortlisted students will be invited to an informal interview - this is a chance for you to tell us all about yourself and get some interview experience too!

**References** We may ask a staff member who knows you for a reference.

**Presentation** This is where you receive your scholarship and a certificate – we'll want to shout about your success so we may take photos and publicise your achievement, (if that's okay with you).

### **Key Dates**

Closing date for applications is Monday 25 November

Interviews and presentation will take place before Christmas.
