SAAS

To apply for your tuition fees, living costs and Student Loan, please visit the SAAS website

Students should complete and submit a SAAS application as soon as possible to ensure the necessary funding is in place for the start of the course. Please note, you do not need to have a confirmed place on your course to apply.

If you have any questions, you can contact the SAAS helpline on **0300 555 0505**.

You can also contact the College Guidance department who may be able to assist with SAAS application form queries. You can contact them via email - guidance@fife.ac.uk or phone - 0344 248 0115.

Your first SAAS payment

If you have been awarded support from SAAS, please note that you will not receive your first payment until you have attended your induction. If you do not attend an induction for your course, you will not receive your first payment until you have attended your first class at Fife College. The College will then notify SAAS of your enrolment and this releases your first payment. Please note, this may take a few days after your induction or first class. If you have any questions regarding your payments from SAAS please contact Registry-Contracts@fife.ac.uk

No travel is paid for HNC or above courses via the College. There is no additional fund for travel for these levels of courses.
