## Shell UK Scholarship Guidelines

### **What is the Shell UK Scholarship?**

Shell UK is a major energy producer that provide fuels, lubricants and chemical products to millions of customers across the UK every week. Shell have had a presence in Fife for nearly 40 years and established the scholarship programme in 2009. The scholarship aims to assist students to purchase equipment and/or materials to support their studies and to progress on to further training or in to employment.

### **Who Can Apply?**

Full-time students at Fife College studying:  
HNC Mechanical Engineering or HNC Electrical Engineering.

### **What Do You Win?**

We aim to award three students £1,000 each, although this may be shared amongst further students at the discretion of the panel.

### **What Can You Spend the Scholarship On?**

The scholarship should be used for resources or materials that would help you with your studies.

### **How to Apply**

A link to the application form is available on the Fife College website in the Scholarship section – if you require a hard copy form please get in touch. Please remember to explain clearly why you should be considered for a Shell UK Scholarship.
