

## **Marshall Construction Scholarship Guidelines**

### **What is the Marshall Construction Scholarship?**

We are delighted to offer this scholarship for 2025 which aims to assist students to purchase equipment and/or materials to support their studies and to progress on to another course or in to employment.

Marshall Construction Limited is a family-owned company which was established in 1983 in Clackmannanshire earning a reputation as one of Scotland's foremost independent building contractors. They value the opportunity to support Fife College students in the areas of built environment to give a helping hand to the construction workforce of tomorrow.

### **Who can apply?**

Students at Fife College studying:

- HNC Construction Management
- HNC/D Quantity Surveying
- HNC Architectural Technology

### **What is the award?**

Various awards of up to £500 are available.

### **What can you use the scholarship for?**

The scholarship should be used to purchase resources or materials that could help you with your studies (eg. tools, software, laptops, books, travel, PPE, driving lessons etc.)

### **How to Apply**

A link to the application form is available on the Fife College website in the Scholarship section – if you require a hard copy form please get in touch. Please remember to explain clearly why you should be considered for a Marshall Construction Scholarship.

### **What Happens Next?**

**References:** We may ask a staff member who knows you for a reference.

**Certificate:** If you are successful we will email you to let you know and attach your certificate and a form to complete your bank details so we can make your payment. We may also invite you to receive your certificate at an event in College.

If you need any help completing the application form please email [employability@fife.ac.uk](mailto:employability@fife.ac.uk)

## Last Year's Winners!

# Marshall Construction

► Five talented students were the deserving winners of this year's Marshall Construction scholarship for 2023/24!

Kallin Mackay, Victoria West, Alexander Paterson, Rebekah O'Donnell and Robert Aitchison were awarded a share of £1,100 with the Marshall Construction Scholarship.

Marshall Construction is a family-owned company which was established in 1983 in Clackmannanshire earning a reputation as one of Scotland's foremost independent building contractors. The company values the opportunity to support Fife College students in the areas of built environment to give a helping hand to the construction workforce of tomorrow.

Derek Clarke, General Building Commercial Director at Marshall Construction, said: "At Marshall Construction we are committed to creating opportunities for future employees within the construction industry. We were therefore delighted to continue supporting this scholarship this year to give Fife College students some financial support and recognition for their achievements.

Our winners are very talented and deserving students and we wish them the very best in their future studies and careers."

Rebekah O'Donnell said: "I am ecstatic to have won this scholarship. This money will help me massively in repairing my car so I can get to my work placement."
